

# WE ARE A TEAM OF LEADERS

*Who....*

## WALK WITH PURPOSE

*We deeply care about our united purpose and each other.*

## LEVERAGE UNIQUENESS

*Each of us plays a vital role in our team's success through the full-expression of our passions, strengths & talents.*

## ACT WITH COURAGE

*We take calculated risks for the sake of innovation without the fear of failing.*

## LISTEN WITH EMPATHY

*We seek to understand each other's perspectives and feelings. We assume positive intent. We are open to ideas no matter how "out there" they may seem.*

## GROW THROUGH FAILURE

*We reflect on our failures to learn and grow from them so we can become more effective together.*

## CURIOSLY SEEK THE TRUTH

*We curiously seek the truth to identify underlying assumptions that will allow us to make the best decisions.*

## SPEAK WITH AUTHENTICITY

*We embrace the vulnerability required to face the hardest conversations with the intention of strengthening our relationships.*

## HAVE EACH OTHERS BACK

*By first managing our own promises and responsibilities and then looking out for each other to build deeper levels of trust.*

## ACHIEVE THE "IMPOSSIBLE"

*Our team has INFINITE potential. We empower each other to step into the greatest versions of ourselves as a team of leaders who show up more powerful than the sum of its parts.*

*We won't let the enemy of change or fear that we are not enough get in our way of making big changes in the world.*

*Although we can't choose our families, we can choose our teams and this is the team I choose to collaborate with in my life's work.*
